About Hook & Nail

Combining the diverse talents of **Jeff D. Michel** (mandolin, bass, percussion, lead vocals), **Mike Davis** (acoustic, vocals) and **Lindsay Arnold** (vocals), **Hook & Nail is an eccentric folk/roots trio from Estevan, SK**. Using rich vocal harmonies and a blend of electric and acoustic instrumentation, they tell the stories of the prairies, past and present. Deriving inspiration from the oil-rich, coal mining area of southeast Saskatchewan, Hook & Nail’s debut album, *Ghosts of Taylorton*, is a blend of confessions, childhood memories, local history and rural legends. The album was voted #4 in SaskMusic’s Best Saskatchewan Albums of 2018.
